#### Remarks

Bright and elegant describes this beautiful ranch style home in the desirable 55+ community of the Highlands at Glenmoor. One floor, carefree living with convenient access to RTS 22 & 33 & 178, shopping, restaurants, hospitals & entertainment. Fall in love with this open concept space with cathedral ceilings and a flowing 1,826 square feet floor plan. Gleaming hardwood floor throughout foyer, kitchen, family room & living room. Updated, eat-in kitchen with granite countertops, breakfast bar & kitchen island. Brand-new stainless-steel refrigerator and dishwasher. Plenty of cabinet & countertop space. Traditional dining room with built-in window seat with overhead custom valance. Dramatic open family room with cathedral ceiling with fan and new electric fireplace with mantle. The living room addition is warm and bright with windows decorated with custom cornices & sliding door to poured cement patio. Large master bedroom has tray ceiling with fan and two walk-in closets. Master bath has double-sink vanity, linen closet, brand new toilet & new shower hardware. Second bedroom has built-in desk & storage and is near full guest bath. Laundry room with sink, washer, dryer & cabinetetry leads to two-car garage with stairway to second floor attic storage room. Gas heat and central air were
